ADDITIONAL INFORMATION:

1 – This meeting is organized in the spirit of “no case no come”, and we are planning on having up to 24 colleagues and cases.

2 - 12 clinical cases / colleagues will be selected by the Organizing Committee, after receiving the submissions via coluna@spot.pt . The best selected case will be presented at the Annual Meeting of SPOT 2018, and the presenting author will be awarded a VSP (Visiting Surgeon Program) to Dr Sébastien Charosky’s Polyclinique du Parc, in Toulouse, France.

3 – The other clinical cases will be presented by the invited speakers.
