**CALL FOR ABSTRACTS**

# 13<sup>th</sup> Congress of the European Hip Society

20–22 September 2018 The Hague, The Netherlands

## Welcome

Dear members and friends of the European Hip Society,  
Dear colleagues and guests,

We very much look forward to seeing you at the European Hip Society 2018 in The Hague, The Netherlands, for our society's 13<sup>th</sup> biennial meeting. For information on the latest innovations in hip care and hip surgery, to discuss treatment options, meet the industry and your hip friends, the EHS congress is unmissable. International as well as European hip surgeons depend on our meetings to get up to date information on international standards, to provide their patients with the best in hip care.

In addition, The Hague has a very international esteem. The congress will take place at the World Forum congress centre – very easy to get to, situated close to Schiphol Amsterdam airport for excellent connections, worldwide.

Dr. B. Willem Schreurs, EHS President (2016–2018)

## Highlight topics

- The young patient with a hip prosthesis
- State of the art of customized 3D hip prostheses in hip revisions
- Revision surgery in total hip arthroplasty
- Hip registries

# 13<sup>th</sup> Congress of the European Hip Society

20–22 September 2018 The Hague, The Netherlands

## Call for Abstracts

The 13<sup>th</sup> EHS Congress welcomes submission of abstracts for original contribution to the field in the following scientific tracks:

- Expectations / outcome / PROMS after hip surgery
- Hip arthroscopy
- Hip preserving surgery
- Hip Infections
- Paediatric hip orthopaedics
- Primary hip surgery
- Revision hip surgery
- Trauma of pelvis and or hip

Submit your abstract in English language according to the submission **guidelines** online until **15 March 2018** at [www.ehs-congress.org](http://www.ehs-congress.org)

## Awards

The two best presentations, after due evaluation by the Scientific Committee, will receive an award granted by Hip International of EUR 1,500 and EUR 1,000 respectively. The awarded abstracts will be published as full original articles/reviews in a forthcoming issue of "Hip International".

All accepted abstracts will be included in a regular issue of "Hip International" available at the congress.

## Guidelines for submission

### Submission, Deadline

- Abstracts have to be submitted exclusively online.
- Deadline for application is 15 March 2018 23:59:59 CET.
- Posters are equally submitted as abstracts related to the respective topics and will be displayed poster at the congress.
- Alterations and corrections may be executed previous to the deadline.

### Size, Content

- The abstract is limited to 1,750 characters (ca. 270 words) incl. blanks; neither table charts nor graphic designs are permitted.
- The title should be short and significant. The text has to be orthographically suitable for publishing.
- The following structure of the abstract is mandatory: objectives, methods, results and conclusions.
- Concerning the methods it has to be clear if the study is prospective or retrospective. Statistical procedures have to be specified.
- The methodology of data entry and evaluation of clinical papers must comprehensively describe the level of evidence (EbM-Levels).
- The setup of experimental studies has to be documented.
- The abstract has to contain all relevant data.
- The usage of special formatting should be limited. The correct replication in all media cannot be granted.
- It is not allowed to submit an abstract several times to different subjects of the congress.
- The number of papers submitted by the same author is limited to 10.
- The number of authors is limited to 8 altogether. The presenter must be listed first.

**Submission deadline: 15 March 2018**

**Please read complete guidelines online at  
[www.ehs-congress.org](http://www.ehs-congress.org)**

## Important deadlines

15 March 2018	Deadline abstract submission
February 2018	Registration will open
30 June 2018	Deadline early registration

## Information

### CME Credits

The EHS Congress will be submitted for accreditation to the UEMS (European Union of Medical Specialists) for European CME credits at the European Accreditation Council for Continuing Medical Education (EACCME).

### Registration (Starting February 2018)

Please register online. Reduced rates are available when payment is effected before 30 June 2018. For group registrations please send an e-mail to [ehs-congress@intercongress.de](mailto:ehs-congress@intercongress.de) and request the group booking form.

The registration fee includes:

Morning and afternoon scientific sessions, instructional course lectures, lunchtime symposia, access to the technical exhibits, delegate's badge, coffee breaks and the Welcome Reception. A separate fee is applicable for the Congress Dinner.

### Accommodation

Special rates in various hotels in The Hague have been negotiated for delegates. Please visit the congress website, section Hotel. Intercongress is the only official housing partner for this event.

### Social Programme

Join our evening events in The Hague. Ticket sale starts in February 2018.

- Thursday, 20 September 2018: Welcome Reception at the World Forum
- Friday, 21 September 2018: Congress Dinner at the Grand Hotel Amrâth Kurhaus

### Partner & Industry exhibition

The EHS Congress is the ideal forum to present your company and latest products to international experts. An industry exhibition will take place at the World forum The Hague. Interested companies may contact Intercongress GmbH (Germany), Ms Lisa Jung ([lisa.jung@intercongress.de](mailto:lisa.jung@intercongress.de)) for further exhibit and sponsoring information.

## About the EHS Congress 2018

### Target Audience

Our biennial congress offers the perfect platform for orthopaedic surgeons, clinicians and scientists in Europe and beyond, along with their various societies to exchange current hip diagnostics, indications and therapies to help in their professional performance every day.

### Scientific Programme outline

The comprehensive scientific programme during the EHS Congress 2018, supported by a broad multi-disciplinary faculty, will include:

- Instructional course lectures (ICL)
- Symposia and keynote lectures
- Oral presentations & posters
- Industry workshops & technical exhibits

### Invited Symposia

- Treatment options of the symptomatic adolescent hip joint
- Knowledge gaps in peri-operative management of hip surgery
- How to interpret and use register data
- How to minimize the risks for dislocation and treatment options for dislocations
- Proximal femoral fractures:  
defining the problem and treatment options
- Total hips in young patients
- State of the art of customized 3D prosthesis and computer navigation / robotics in revisions
- Revisions on the femoral side
- Revisions on the acetabular side

### Instructional course lectures

- Resurfacing hips revisited
- Alternative outcomes after total hip arthroplasty
- Guidelines for follow-up of Metal on Metal prosthesis
- The infected hip
- Short stems / Hip Arthroscopy

## About EHS

The European Hip Society aims to advance the exchange of medical experiences, scientific developments and knowledge regarding juvenile and adult hip diseases.

[www.europeanhipsociety.com](http://www.europeanhipsociety.com)

### EHS membership

Be part of the growing European network of key opinion leaders – become an EHS member!

Sign up on [www.europeanhipsociety.com](http://www.europeanhipsociety.com)

Your benefits as a full member:

- The internationally renowned orthopaedic society established since 1992
- Develop a professional network
- Opportunities to lecture around the world with EHS support
- Visit international hip centres of excellence
- Actively participate in hip research with the support of EHS
- Members profit from reduced fees of the Hip International
