The E-Poster, in PDF format and prepared using template provided at SPOT's website, must be uploaded by 11 October 2026 via the following platform: <https://neo.emma.events/45cnot>

Failure to meet this deadline will result in the E-Poster not being accepted for presentation, as all submissions must first be processed by the E-Poster Management Team.

During the Congress, E-Posters will be available for viewing on the designated display screens.

Certificates of presentation will be sent by email to the authors after the Congress.

Only E-Posters for which **at least one author is registered for the Congress and has attended the event** will be considered eligible.
